POTTERVILLE BENTON TOWNSHIP DISTRICT LIBRARY WRITTEN PUBLIC SUMMARY OF FOIA PROCEDURES AND GUIDELINES

Consistent with Public Act 563 of 2014 amending the Michigan Freedom of Information Act (FOIA), the following is the Written Public Summary of the Library's FOIA Procedures and Guidelines relevant to the general public.

1. How do I submit a FOIA request to the Potterville Benton Township District Library?

- *Requests to inspect or obtain copies of public records prepared, owned, used, possessed or retained by the Potterville Benton Township District Library must be submitted in writing.
- *A request must sufficiently describe a public record so as to enable the Library to find it.
- *No specific form to submit a written request is required. However a FOIA Request Form for your use and convenience is available on the Library's website at www.pottervillelibrary.org
- *Written requests can be made in person by delivery to the Library in person or by mail.
- *Requests can also be made by facsimile by calling 517-645-2989.
- *A request may also be submitted by e-mail. To ensure a prompt response, e-mail requests should contain the term "FOIA" or "FOIA "Request" in the subject line and be sent to director@pottervillelibrary.org

Note: If you are serving a sentence of imprisonment in a local, state or federal correctional facility you are not entitled to submit request for a public record.

2. What kind of response can I expect to my request?

- * Within 5 business days of receipt of a FOIA request the Library will issue a response. If a request is received by facsimile or e-mail the request I deemed to have been received on the following business day. The Library will respond to your request in one of the following ways:
 - o Grant the request.
 - Issue a written notice denying the request.
 - Grant the request in part and issue a written notice denying part of the request.
 - Issue a notice indicating that due to the nature of the request the Library needs and additional 10 business days to respond.
 - o Issue a written notice indicating that the public record requested is available at no charge on the Library's website.
- *If the request is granted, or granted in part the Library will ask that the payment be made for the allowable fees associated with responding to the request before the public record is made available. If the cost of processing the request is expected to exceed \$50, or if you have not paid for a previously granted request, the Library will require a deposit before processing the request.

3. What are the Library's fee deposit requirements?

*If the Library has made a good faith calculation that the total fee for processing the request exceeds \$50, the Library will require that you provide a deposit in the amount of 50% of the total estimated fee. When the Library requests the deposit it will provide you a non-binding best efforts estimate of how long it will take to process the request following receipt by the Library of your deposit.

*If the Library receives a request from a person who has not paid the Library for copies of public records made in fulfillment of a previously granted written request, the Library will require a deposit of 100% of the estimated processing fee before it begins to search for the public record for any subsequent written request when all of the following conditions exist:

- the final fee for prior written request is not more than 105% of the estimated fee;
- the public records made available contained the information sought in the prior written request and remain in the Library's possession;
- the public records were made available to the individual, subject to payment, within the time frame estimated by the Library to provide the records;
- o 90 days have passed since the Library notified the individual in writing that the public records were available for picking or mailing;
- o the individual is unable to show proof of prior payment to the Library; and
- o the Library has calculated an estimated detailed itemization that is the basis for the
- o current written request's increased fee deposit.

*The Library will not require the 100% estimated fee deposit if any of the following apply:

- The person making the request is able to show proof of prior payment in full to the Library;
- o the Library is subsequently paid in full for all applicable prior written requests; or
- 365 days have passed since the person made the request for which full payment
- o was not remitted to the Library.

4. How does the Library calculate FOIA processing fees?

*A fee will not be charged for the cost of search, examination, review and deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to the Library because of the nature o9f the request in the particular instance, and the Library specifically identifies the nature of unreasonably high costs.

*The Michigan FOIA statute permits the Library to assess and collect a fee for six designated processing components. The Library may charge for the following costs associated with processing a request:

- Labor costs associated with searching for, locating and examining a requested public record.
- Labor costs associated with a review of a record to separate and delete information exempt from disclosure of information which is disclosed.
- The cost of computer discs, computer tapes or other digital or similar media when the requester asks for records in non-paper physical media.
- The cost of duplication or publication, not including labor, of paper copies of public records.
- Labor costs associated with duplication or publication, which includes making paper copies, making digital copies, or transferring digital public records to nonpaper physical media or through the internet.
- The cost to mail or send a public record to a requestor.

*Labor costs

- All labor costs will be estimated and charged in 15 minute increments with all partial time increments rounded down.
- Labor costs will be charged at the hourly wage of the lowest-paid Library employee capable of doing the work in specific fee category, regardless of who actually performs the work.
- Labor costs will also include a charge to cover or partially cover the cost of fringe benefits.

*Non-paper Physical Media

- The cost for records provided on non-paper physical media, such as computer discs, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
- This cost will only be assessed if the Library has the technological capability necessary to provide the public record in the requested non-paper physical media format.

*Paper Copies

- Paper copies of public records made on standard letter (8 ½ X 11) or legal(8 ½ X 14) sized paper will not exceed \$.10 per sheet of paper. Copies for non-standard sized sheets paper will reflect the actual cost of reproduction.
- The Library may provide records using double-sided printing, if cost-saving and available.

*Mailing Costs

- The cost to mail public records will use a reasonably economical and justified means.
- The Library may charge for the lease expensive form of postal delivery confirmation.
- No cost will be made for expedited shipping or insurance unless requested.

5. How do I qualify for a reduction of the processing fee?

*The Library may waive or reduce the fee associated with a request when Library determines that to do so is in the public interest because release of information is considered as primary benefitting the general public.

*The Library will waive the first \$2.00 of the processing fee for a request if you submit an affidavit stating you are:

- o indigent and receiving specific public assistance; or
- if not receiving public assistance, stating facts demonstrating and inability to pay because of indigence.

*You are not eligible to receive the \$20.00 waiver if you:

- have previously received discounted copies of public records from the Library twice during the calendar year; or
- are requesting information on behalf of other persons who are offering or providing payment to you to make the request.

*An affidavit is sworn statement. For your convenience the Library has provided and Affidavit of Indigence form for the waiver of FOIA fees on its website.

*The Library will waive the fee for a non-profit organization which meets all of the following conditions:

- the organization is designated by the State under federal law to carry out activities under the Developmental Disabilities Assistance and Bill of Rights Act of 2000 and the Protection and Advocacy for Individuals with Mental Illness Act;
- o the request is made directly on behalf of the organization or its clients;
- the request is made for a reason wholly consistent with the provisions of federal law under Section 931 of the Mental Health Code; and
- the request is accompanied by documentation of the organization's designation by the
 State

6. How may I challenge the denial of a public record or an excessive fee?

*Appeal of a Denial of a Public Record

If you believe that all or a portion of a public record has not been disclosed or has been improperly exempted from disclosure, you may file and appeal of the denial with the Library Board of Directors. The appeal must be in writing, specifically state the work "appeal" and identify the reason or reasons you are seeking a reversal of the denial.

Within 10 business days of receiving the appeal the Library Board will respond in writing by:

- reversing the disclosure denial
- uphold the disclosure denial; or
- reverse the disclosure denial in part and uphold the disclosure denial in part.

*Whether or not you submitted an appeal of a denial to the Library Board, you may file a civil action in Eaton County Circuit Court within 180 days after the Library's final determination to deny your request. Should you prevail in the civil action the court will award you reasonable attorneys' fees, and costs and disbursements. If the court determines that the Library acted arbitrarily and capriciously in refusing to disclose or provide a public record, the court shall award you damages in the amount of \$1000.00

*Appeal of an Excessive FOIA Processing Fee

If you believe that the fee charged by the Library to process your FOIA request exceeds the amount permitted by state law, you must first submit a written appeal for a fee reduction to the Library Board of Directors. The appeal must be in writing, specifically state the word "appeal" and identify how the required fee exceeds the amount permitted.

Within 10 business days after receiving the appeal, the Library Board will respond in writing by:

- waiving the fee
- reducing the fee and issue a written determination indicating the specific basis that supports the remaining fee;
- upholding the fee and issue a written determination indicating the specific basis that supports the required fees; or
- issuing a notice detailing the reason or reasons for extending for no9t more than 10 business days the period during which the Library Board will respond to the written appeal.

Within 45 days after receiving notice of the Library Board of Directors' determination of the processing fee appeal, you may commence a civil action in Eaton County Circuit Court for a fee reduction. If you prevail in the civil action of receiving a reduction of 50% or more of the total fee, the court may award all or appropriate amount of reasonable attorneys' fees, costs and disbursements. If the court determines that the Library acted arbitrarily and capriciously by charging an excessive fee, court may also award you punitive damages in the amount of \$500.00.
